

BASC-3 Procedure Manual

(Part 1: Email BASC survey to families)

Step 1: Sign into your Q-Global Account (<https://qglobal.pearsonclinical.com/qg/welcome.seam>)

If you do not have a Q-Global account, please reach out to wei.liu@griffith.edu.au to inquire about whether you are eligible to have one.

The screenshot shows a 'Sign In' form on a dark blue background. The form is white and contains the following elements:

- Sign In** (Section Header)
- Username (Email Address)** (Label)
- (Text Input Field)
- ☐ Remember me (Checkbox)
- Next** (Yellow Button)
- By signing in, you agree to our [Terms of Use](#) (Text with Link)

- Upon sign in, you will be prompted to complete a two-factor authentication. Follow the instructions on the screen to complete.

Step 2: Create New Examinee

- Select the “New Examinee” Tab at the top of your Q-Global home page.

Step 3: Fill out participant demographic information

- When entering “Examinee ID”, write the abbreviated title of your site (e.g., Mulungu = MLU*) followed by the participant REDCap ID. See below for an example.

- b) Once all available demographic information has been entered, select the **green save icon**.

***Please refer to Appendix A (Page 13) for all participating sites' abbreviated titles.**

Step 4: Select new participant profile and assign assessment

- a) Once you select save on the new examinee information, you will be redirected to the Q-Global home page once again. Here you will see a new examinee has been added (See below).

Assign

- a) The BASC-3 is a comprehensive set of rating scales and forms including the Teacher Rating Scales (TRS) and Parent Rating Scales (PRS).
 - a. If you require a BASC that will be completed by a *parent*, ensure “PRS” is in the title.
 - b. If you require a BASC that will be completed by a *teacher*, ensure “TRS” is in the title.
- b) Parents or caregivers can complete forms at three age levels:
 - i. preschool (ages 2 to 5)
 - ii. child (ages 6 to 11)
 - iii. adolescent (ages 12 to 21)

Example: if we require a parent to complete the BASC assessment for Bob who is 11 years old, we should select “BASC-3 PRS-Child”.

- c) Once you have selected the appropriate assessment for your examinee, click onto the green “assign” icon (see below).

3. Send Link via E-mail (Remote On-Screen)

- If you choose this option, you will be directed to send a link to your participant via email that contains the assessment.
- Once this option is selected, you will be asked to enter the respondents first and last name (see below).
- You can also select if you'd would like to receive an email once the respondent has completed the assessment. If this is something you would like, you must tick the relevant box and enter your email in the text box (see below).
- From here, select the yellow "Continue to E-mail" icon on the right of the page to send the participant an email (this has been circled in the screenshot below).
